

**Artistic dynamism carried
In the historic City of CAUSSADE,
in Tarn-et-Garonne, in the heart of Occitanie Region.**

The first “Salon de l’Aquarelle” was created in spring 2011, under the leadership of Anne-Marie Couderc, already very much in love with this very particular pictorial technic of watercolor.

Following this first regional success, the Association law 1901

« AQUARELLE EN QUERCY »,

was created in 2011 october, with the objectives of disseminating, enhancing, developing and promoting watercolor by all possible media and actions, but also to initiate and facilitate regional, then national and now international artistic exchanges, contributing very largely to knowledge and development of this technic and this very complete art that is watercolor.

Already attractiv during its first regional edition in 2011, promising in 2012, the Exhibition then became an international benchmark of this Art. Thanks to the support of Caussade Municipality, also to the workshops, but also to the Artists, regularly present and all the experienced or budding watercolorists as well as the visitors more and more numerous.

Since 2015, to provide the public with ever more qualitative presentations and demonstrations, the Caussade Watercolor Show is running every two years.
